PROFILE

I'm a web developer with a user-driven mindset. I design and build applications that are engaging and intuitive to navigate. Above all, I believe in delivering value continuously by shipping fast, quality code. On top of my technical skills, I have experience in market research, project management, and client relations.

SKILLS

JavaScript/TypeScript	React	Redux	Express	Koa	Node	PostgreSQL
Sequelize	MongoDB	Mongoose	GraphQL	BEM CSS	Git	Mocha	Jest
